Welcome to Ashwell at Home

Celebrating Creative Ashwell

Welcome to Ashwell.

Our annual open day helps to raise essential funds for Ashwell Village Museum, St Mary's Church and Ashwell Primary School. We also enjoy sharing some of the pleasures and treasures of this remarkable village with friends such as yourselves.

Today we are celebrating the creative spark which helps to make Ashwell a vibrant community, so you will be able to enjoy exhibitions, performances, workshops, talks, displays and craft activities, as well as the traditional programme of open gardens and businesses. There are plenty of opportunities to get involved yourself.

The open gardens range from modest courtyards to the large country house, with all sizes and types in between. Your wristband will give you access to all these venues, activities and events.

The map on pages 10 and 11 of this programme should help you to find everything but if you have any problems please ask the Town Crier. He'll be happy to help you and you can't miss him!

Thank you for your kind support. Enjoy yourselves.
